Yes, provided that you're at least 21 years of age (or of the legal age required to purchase cigarettes within your state).

Please Note: Any cigarettes purchased on our site are solely for personal use, any other use is prohibited according to the protocol which the US CBP enforces.

How do you protect my Credit Card Information?

All of the cigarettes shipped from Ineedsmoke.com are sent through international airmail, and comply with International mail regulations in regard to the sale and shipping of duty-free products to the United States of America.

Each carton ordered on Ineedsmoke.com is sent in its own package, this ensures that the restrictions that apply to weight and value for duty free products is not surpassed. This ensures that you will not be required to pay Duty Tax on your cigarettes. Although every carton is packaged separately, they are shipped to you on the same day. This does not necessarily mean that you will receive all cartons that you have ordered at once. It can take up to 10 days after the first carton is received to receive a full order of more than one carton.

We offer two different types of airmail shipping:

Economy Airmail, economy airmail can take anywhere from 14 to 21 Business days, from date of shipment, to receive your order. Economy airmail is free for all orders.

Priority airmail, priority airmail takes from 5 to 10 business days, from date of shipment, for you to receive your order. Priority airmail is optional for all orders and costs \$2.49 per carton ordered.

Shipment times are from the day your ordered is shipped. Orders are shipped once they are fully funded, with Visa this can take from 2 to 4 business days, with e-check this can take 5 to 7 business days.

Please remember to include your full shipping address when filling out the order form, to ensure that you receive your cigarettes as fast as possible.
